What is she doing? She'll burn this tent down. I know some of you long for death, but I won't let her kill you all.

CASSANDRA enters with a torch for MOVEMENT PIECE 3: THE MAD BRIDE.

SEDA

Listen to her. She wouldn't kill anyone.

MELIS

Poor girl.

During this piece CASSANDRA moves fluidly through the space, dancing with each woman.

CASSANDRA

Cam 1 & 2

Look at the light, hold it up and let the flames drift and take flight! I am doing the gods' service. I am making the shrine glow with bright, bright candles. God of marriage, I hold your torch, I wear your wreath...the groom is blessed, I am blessed, I will marry a lord of Greece. Mother, you are busy with grief so I will do the job of honoring the gods at my wedding. With this blazing torch, see? Grant me your fire too, Hecate, at my virgin marriage, that is the custom and we must have custom.
